Article 3. Payment

3.1 Payment shall be based upon a negotiated lump sum fee, arrived at utilizing the hourly rates set forth in Consultant's Pricing, attached hereto and incorporated herein as **Exhibit A**. Upon reviewing the project specific scope of services, the CONSULTANT shall submit a list of specific tasks to be performed as part of the project, including any alternate tasks, and a detailed estimated cost sheet. 3.4 Other than the fees and rates set forth in **Exhibit A**, the CONSULTANT shall not be entitled to payment for any expenses, fees, or other costs it may incur at any time and in any connection with its performance hereunder. The CONSULTANT hereby agrees that its hourly billing rates are fully loaded and includes all overhead and administrative expenses.

3.5 In the event any part of this Agreement is to be funded by federal, state, or other local agency monies, the CONSULTANT hereby agrees to comply with all requirements of the funding entity applicable to the use of the monies, including full application of requirements involving the use of minority firms, women's business enterprises, and labor surplus area firms. The CONSULTANT is advised that payments under this Agreement may be withheld pending completion and submission of all required forms and documents required of the CONSULTANT pursuant to the grant funding requirements. A copy of the requirements shall be supplied to the CONSULTANT by the MPO upon request.

3.6 CONSULTANT acknowledges and agrees that if the services provided under this Agreement are being supported in whole or in part by Federal and/or State funding, CONSULTANT shall utilize the U.S. Department of Homeland Security's E-Verify system in accordance with the terms governing use of the system to confirm the employment eligibility of:

No assignment or subcontract shall under any circumstances relieve the CONSULTANT of liability and obligations under this Agreement and all transactions with the MPO must be through the CONSULTANT. In the event the CONSULTANT is acquired in whole or in part

by another entity, including any takeovers effectuated by a stock buyout, or similar acquisition process, the CONSULTANT shall notify the MPO immediately. The MPO shall have the option of terminating this contract in the event the acquiring entity does not meet with the MPO's approval.

5.10 Ownership of Deliverables. Upon completion of and payment for a task CONSULTANT agrees all Tasks and/or deliverables under this Agreement, and other data generated or developed by CONSULTANT under this Agreement or furnished by MPO to CONSULTANT shall be and/or remain the property of MPO. CONSULTANT shall perform any acts that may be deemed necessary or desirable by MPO to more fully transfer ownership of all Tasks and/or deliverables to MPO, at MPO's expense. The CONSULTANT expressly acknowledges and agrees that the CONSULTANT shall receive no damages for delay. The CONSULTANT'S sole remedy, if any, against the MPO shall be the right to seek an extension to the contract time. However, this provision shall not preclude recovery of damages by the CONSULTANT for hindrances or delays due solely to fraud, bad faith or active interference on the part of the MPO. Otherwise, CONSULTANT shall be entitled to extensions of the Contract Time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

The parties will exercise every reasonable effort to meet their respective obligations hereunder. Any corrections shall be made within thirty (30) calendar days after such deficiencies or non-conformances are verbally reported by the MPO. The standard of care for all professional engineering, consulting and related services performed or furnished by CONSULTANT and its employees under this Agreement will be the care and skill ordinarily used by members of CONSULTANT's profession practicing under the same or similar circumstances at the same time and in the same locality. CONSULTANT makes no warranties, express or implied, under this Agreement or otherwise, in connection with CONSULTANT's services.

Any agreement requiring this certificate shall contain a provision that the original agreement price and any additions shall be adjusted to exclude any significant sums by which the MPO determines the agreement price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such agreement adjustments shall be made within one (1) year following the end of the contract. Execution of this Agreement constitutes execution of the Truth in Negotiation Certificate.

5.16 Codes and Regulations. All work completed under this Agreement shall conform to all applicable federal, state and local statutes, codes, regulations and ordinances.

The CONSULTANT shall maintain the files and papers for not less than three (3) complete calendar years after the project has been completed or terminated, or in accordance with the federal requirements, whichever is longer. Prior to the close out of the Agreement, the CONSULTANT shall appoint a records custodian to handle any records request and provide the custodian's name and telephone number(s) to the user MPO department.

B. Any copyright derived from any agreement derived from this Agreement shall belong to the author. The author and the CONSULTANT shall expressly assign to the MPO nonexclusive, royalty free rights to use any and all information provided by the CONSULTANT in any deliverable and/or report for the MPO'S use which may include publishing in MPO documents and distribution as the MPO deems to be in the MPO'S best interests. If anything included in any deliverable limits the rights of the MPO to use the information, the deliverable shall be considered defective and not acceptable and the CONSULTANT will not be eligible for any compensation.

5.19 Right to Audit. The MPO reserves the right to require CONSULTANT to submit to an audit by any auditor of the MPO'S choosing. CONSULTANT shall provide access to all of its records which relate directly or indirectly to this Agreement at its place of business during regular business hours. CONSULTANT shall retain all records pertaining to this Agreement and upon request make them available to the MPO for three (3) years following expiration of the Agreement. CONSULTANT agrees to provide such assistance as may be necessary to facilitate the review or audit by the MPO to ensure compliance with applicable accounting and financial standards. Additionally, CONSULTANT agrees to include the requirements of this provision in all contracts with sub-consultants and material suppliers in connection with the work performed hereunder.

If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the CONSULTANT to the MPO in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the MPO'S audit shall be reimbursed to the MPO by the CONSULTANT. Any adjustments and/or payments which must be made as a result of any such audit or inspection of the CONSULTANT'S invoices and/or records shall be made within a reasonable amount of time, but in no event shall the time exceed ninety (90) days, from presentation of the MPO'S audit findings to the CONSULTANT.
